Telecommunications Services)

SECTION 63.71 APPLICATION

Coast to Coast Telecommunications, Inc. ("Coast to Coast"), a wholly owned subsidiary of XO Communications, LLC, hereby files this Application to discontinue services pursuant to Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, and Section 214(a) of the Communications Act of 1934, as amended. Specifically, Coast to Coast seeks to discontinue the provision of local and long distance domestic services to its customers located in Michigan. Services will be discontinued on or about December 31, 2006.

I. Pursuant to 47 C.F.R. § 63.71 (b)(1) through (5), Coast to Coast submits the following information:

1. Name and address of carrier:

Coast to Coast Telecommunications, Inc.
11111 Sunset Hills Rd.
Reston, VA 20190

2. Date of planned service discontinuance

The anticipated date for the discontinuance of service described herein is December 31, 2006, or as soon after as the necessary governmental approval can be obtained. Applicant understands that this application will be automatically granted on the 31st day after public notice of filing unless the Commission notifies the Applicant to the contrary.

3. Points of geographic area of services affected

By this Application, Coast to Coast seeks authority to discontinue the provision of local and long distance domestic services to customers in the state of Michigan. Coast to Coast only operates in the state of Michigan.

4. Brief description of the types of services affected

Coast to Coast intends to discontinue local and long distance domestic long distance services

5. Brief description of the dates and methods of notice to all affected customers

Written notices of the Discontinuance were sent to all affected customers via U.S. Postal Service first class mail on October 12, 2006 (residential notice) and October 13, 2006 (business notice). The Notices of discontinuance are attached as Exhibit A. Separate notices were sent to residential and business customers, as business customers were earlier given an opportunity to migrate their service to XO Communications Services, Inc. ("XO"), a wholly owned subsidiary of XO Communications, LLC. XO does

not offer residential services in the state of Michigan. As such, Coast to Coast's residential customers cannot migrate to XO. The customer notice letters were prepared in accordance with requirements of Section 63.71 (a) of the Commission's rules.

6. Non-dominance of the carrier with respect to the service to be discontinued

Coast to Coast is non-dominant with respect to the services it proposes to discontinue. The local service customers currently served by Coast to Coast have at least two alternative providers, including the incumbent local exchange company provider, from which to obtain service. In addition, there are numerous long distance service providers that are available to these customers.

7. Service

In accordance with Section 63.71 (a) of the Commission's rules, Coast to Coast has mailed a copy of this Application to the Governor and the public utility commission of Michigan and to the Special Assistant for Telecommunications for the Secretary of Defense.

Additional questions regarding this Application may be addressed to:

Kristin U. Shulman
XO Communications, LLC
810 Jorie Blvd., Suite 200
Oak Brook, IL 60523
Phone: (630) 371 3311

II. Circumstances of Discontinuance

Coast to Coast's provision of services to retail customers in Michigan has not proven to be financially justified. Accordingly, Coast to Coast has determined to cease providing such services.

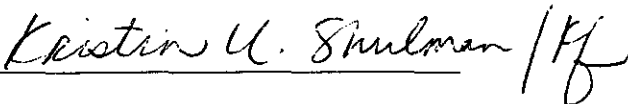

III. Conclusion

Coast to Coast believes that the proposed discontinuance is reasonable and necessary. Coast to Coast will take all reasonable steps to the extent it is able, to ensure that the discontinuance of service is not unduly disruptive to the present or future public convenience and necessity. For the foregoing reasons, Coast to Coast respectfully requests, pursuant to Section 214 (a) of the Communications Act of 1934, as amended 47 U.S.C. § 214 (a) and Section 63.71 of the Commission's rules, that the Commission permit it to discontinue the provision of services to customers pursuant to Section 63.71.

Respectfully Submitted,

Coast to Coast Telecommunications, Inc.
